

## **Non-Taft Hartley Union Plans: Approved Applications for Waiver of the Annual Limits Requirements**

Updated August 19, 2011

This is a list of unions that have received waivers of the annual dollar limit requirements for health plans offered to their members. Most of these plans are collectively bargained agreements between a union and employer(s). In some cases, these plans provide supplemental coverage to employer-based health plans.

Waiver applications will no longer be accepted after September 22, 2011. On June 17, 2011, the Centers for Medicare & Medicaid Services (CMS) introduced a process for plans that have already received waivers and want to renew those waivers for plan or policy years beginning before January 1, 2014. The new guidance extends the duration of waivers that have been granted through 2013, if applicants submit annual information about their plan and comply with requirements to ensure that their enrollees understand the limits of their coverage. Existing waiver recipients must apply to extend their current waiver and all applications must be submitted by September 22, 2011; after that date applications for an extension will no longer be considered. Any plans that have not yet applied for a waiver also must apply by September 22, 2011. For further information see [Annual Limits Policy: Protecting Consumers, Maintaining Options, and Building the Bridge to 2014 | HealthCare.gov](#).

These existing waiver recipients below applied and received a waiver for the plan or policy beginning before September 23, 2011. Waivers approved prior to June 17, 2011 remain effect for a period of one year.
